Sally Yates, the former acting attorney general who was fired by President Trump, told ABC News in an interview airing Sunday that she went "back and forth" on whether to alert the White House that former national security adviser Michael Flynn was possibly compromised by Russia in the weeks leading up to Flynn's resignation. "I was conflicted," Yates told ABC's George Stephanopoulos. "I was concerned he not only misled the vice president but also the American people." Yates 82157476af
